To Market ..to Market..

Everyone is busily preparing for our upcoming Market day on 27th October. Students and teachers are focusing on adding and subtracting money and creating and advertising their products for their diverse market day stalls. Our Market day is unique in the sense that it is very student orientated. It promotes team work and persistence and resilience. Our Market Day is also a wonderful opportunity to include not only our school community but our wider community as well. It is a very inclusive event with lots of fun and laughter heard throughout the afternoon. It is always terrific to see our past students return and be a part of this day. Those continued connections are so important.

For a closer look at what is happening on our annual Market day, go to www.ygpsmarketday2016.weebly.com Thank you to Ms Lyons and her students for creating this website. It’s great!

PLEASE NOTE that Market Day is a late start of 12.00. Students must see the class teacher and be signed out before leaving for the day.

If you would like to run a stall at our Market day, please contact our school office or go to our market day website for more information.

Curriculum Day 28th OCTOBER- PUPIL FREEE DAY- no students

The 28th October (day after Market day) is our Curriculum Day. All staff will be focusing on the new Victorian Curriculum as their Professional Learning to prepare for 2017 school year. The day before Cup day holiday is a normal school day. (Monday 31st October)

It is terrific to have our Grade 3-6 students back from Camp. By all accounts, the camp was absolutely “AWESOME!” A fabulous time was had by all. Enjoy some of the photos in this week’s newsletter.

Enrolments for 2017- ENROL NOW BEFORE 31st OCTOBER

We have had a steady stream of enrolments for 2017. If you are enrolling your child or know of other families that are coming to our school next year, please strongly encourage them to enrol by 31st October. It is vital we have confirmed numbers for the 2017 school for planning to commence and for grade structures to be organised. If we have late enrolments that may cause us to have to restructure at a late stage, which is always unsettling and definitely avoidable if families enrol early, rather than late.

Hand hygiene

In this week’s Education Bulletin, it was announced that there is a new strain of norovirus that causes gastroenteritis. It advises that we are all vigilant with hand hygiene and hand washing.

Thanking you for your support.

Have a happy and safe weekend,
Kind Regards

Sue Di Giacomo

BOOK CLUB
Catalogues have been distributed and are due back by the 14th October.

P.M.P.
There are only 5 sessions of P.M.P. left for the year and we are in desperate need of helpers to assist with this valuable program. The dates are 14 & 21 October, 4 & 18 November and 2nd December. If you can spare an hour between 12 and 1 it would be very much appreciated. Unfortunately, if we don’t get any helpers the program will have to be cancelled.
