We’re back for Term 4..

CAMP
This week our Grade 3-6 students waved us all goodbye on Tuesday morning as they went on camp for four days. There was excitement and also a few anxious little faces wondering how they would go, being away from home for the first time for more than one night.
From all reports from staff, everyone is having a fabulous time. The activities are adventure based and promote team work, inclusiveness and resilience. Going on camp is a wonderful experience for our students as it promotes close connections between teachers and students. We are all looking forward to their stories of adventure and learning, when they return on Friday. Enjoy the photos that have been sent through from Ms Lyons. The campers are off to the beach today with beautiful weather and great Science activities to enjoy. They will be returning between 3.30 and 4.00pm on Friday. Any changes to this, we will SMS families on Friday afternoon.

THANK YOU
You may have noticed that there was a great deal of work happening over the holidays in our Sensory Garden near our BER building. The timber crates being used as garden beds, had rotted through and we were trying our best to keep them together until our new garden beds arrived.
A HUGE THANK YOU to Greg Chrisp and Mark Clissold for donating their time, machinery, resources and muscles in completing our sensory garden. It was an immense amount of work clearing the old garden beds and then preparing and installing the garden beds. Thank you also to Gail Thatcher and Mark’s brother for helping us out as well.

We still need to finish off the installation of the last two garden beds. Planting them out with our students will be the next step to look forward to. I’m sure it will be a terrific area for everyone to enjoy.

ENROL NOW FOR 2017
If you are enrolling your child for Foundation (Prep) for 2017, please enrol by 31st October. We are already planning for the 2017 school year and enrolment numbers are vital to this process and for us to be organised for the new school year. Please bring along your completed enrolment form with birth certificate and immunisation records and present at the school office. Robyn or Judy will assist you from there. If you know of any other new families enrolling for the 2017 school year, could you please encourage them to do so by October 31st.

Have a great weekend everyone.

I’m sure there will be some tired campers who will look forward to a sleep in on Saturday morning, along with our staff!

Kind Regards,
Sue Di Giacomo

Happy Snaps from the Campers

Just a reminder that our Market Day is fast approaching and it is a late start for the students of 12pm.
More information will follow next week.
