This week at Yarra Glen Primary School..

WHAT AN ACHIEVEMENT!

There have been so many achievements this week. I was so proud when Jackson came and told me that he could now read "anything!" and he was absolutely right. We now have another awesome reader at Yarra Glen Primary School. Well done Jackson! I am very proud of you.

EXEMPLARY WRITING

I was also visited by Sylvia, Rose and Jake on Tuesday. They proudly came to show me their descriptive narrative writing. Their writing was exceptional and once again I was so very proud of their successes and achievements. Well done for putting in your personal best and persisting with your learning.

TWILIGHT SPORTS and BALL SPORTS

This week, our school house captains and vice captains have begun practising for our upcoming Twilight Sports coming up at the end of this term. The leaders have been excellent role models to our younger students. This year's Twilight Sports is a little different, with some new events. We are all looking forward to this wonderful community event. Stay tuned for more information. Please don't hesitate to ask your child's teacher if you need more information about our sports.

The Ball Sports and Field Events are on Tuesday 28th March from 9.30-11am on the hardcourt.

Twilight Sports are on Thursday 30th March from 4pm-6pm on our school oval.

Bring the family along and BYO deck chairs, picnic rugs and food and drink if you wish. We will have the coffee van here for those delicious cappuccinos or lattes and will also have a barbecue running from about 5.15pm if you're feeling hungry and would like a sausage in bread and a drink to wash it down.

SAFETY

Lastly, I would like to remind everyone to be cautious on Forest St. There have been some occasions when we have seen cars driving at high speeds along this road and we are concerned about our students' safety. Many students and families walk along this street on their way home or when visiting a friend.

Please be patient with each other so everyone is safe.

Thanking you for your support in this matter.

Have a happy and safe long weekend,
See you all on Tuesday.

Kind Regards,
Sue Di Giacomo

Community Owned Solar Energy Workshop

Join others in your community to explore how a Community Owned Solar Energy project could work in Yarra Glen and get involved in making it happen.

With help from Community Energy consultant, Taryn Lane from Embark Australia, we will develop a project scope that matches the interest, skills and energy in the Yarra Glen community.

This workshop is the next step in determining how the community might implement the Yarra Glen People’s Panel recommendation that 10% of proceeds from the sale of land at 39-41 Bell St be allocated to a renewable energy project.

Saturday 25 March 2017
1:00pm-4:30pm
