13th November

Dear Parents and Carers,

Yarra Glen Primary School Council is pleased to advise all families that a decision has been made to enable KIN Early Learning Centre to License the BER MP Room, kitchen and grounds to operate a Before and After School Care, and a Vacation Care program for 2018. This decision was made at the November 9th School Council meeting.

Application approval means that we can now commence the necessary documentation and KIN Early Learning Centre can seek Service Approval from the Department of Education and Training as is required before any out of school hours care service can be started in a new facility.

We understand that granting access to the school buildings should allow the program to be expanded in order to meet the growing community demand for these important services.

We anticipate that details regarding changes to and relocation of the program will be published as soon as KIN Early Learning Centre is in a position to do so. We will keep you updated as further information becomes available.

While we are working on completing the paperwork we expect that existing arrangements for the current program will remain unchanged.

For further information regarding the program please contact Yarra Glen Early Learning Centre on 9437 1442 or by email at info@yarraglenelc.com.au

We are looking forward to KIN Learning Centre providing a high quality program in 2018 for our students at Yarra Glen Primary School.

Thank you to all for your support and patience in this matter.

Kind Regards,

Sue Di Giacomo
Principal
Executive Officer
Yarra Glen Primary School Council

Greg Chrisp
School Council President
Yarra Glen Primary School Council
