Term 3 Newsletter - No.12 – 16th September 2022

Principal's Update

Dear families of the Yarra Glen Primary School community,

I can't believe we're nearing the end of Term 3 and I hope everyone is looking forward to a well-deserved break. Staff and students have been busily preparing behind the scenes for our upcoming school production, Pirates of the Curry Bean. This is a reminder that there will be a whole school dress rehearsal on Friday 9th and Monday 12th September.

I would like to welcome Sue VanderRee to the YGPS community who will be working in the office. Please give her a warm welcome if you see her. I would also like to acknowledge Meredith Richardson who has supported and cared for our students for more than 10 years and I would like to wish her all the best with her future endeavours.

Thank you to families that were able to attend our Working Bee Saturday 27th August. We were able to complete many jobs and we plan to have another Working Bee in Term 4. It was also wonderful to have Year 11/12 students from Mount Lilydale Mercy College engage with our school through their Community Service Program to do some repairs, gardening, and sausage sizzle for all our students.

Our education dog program has concluded and a big thank you to the non-profit 'Unconditional Love Foundation (ULF)' for supporting the wellbeing of our students. Scout and Charlie, trained canines, have brought joy to all our classrooms and wellbeing sessions. We hope to have ULF come to our school again next year.

I would also like to acknowledge the

engagement and support of Healesville High School. Kaylia Tierney, Maths Teacher, has been coming to our school weekly to provide extension maths for our middle-upper school students. Year 5/6 students have recently had an excursion to attend their school production, 'The Next Generation School of Rock'. It was a great opportunity for students to go to a production musical at a high school level. Lastly, Julian Holland, PE teacher at HHS for coordinating a cricket workshop for our Years 1-4 students.

Icy Pole Challenge

To promote student engagement and to ensure students are 'ready for learning', I have given all our students a challenge. If students can consecutively line-up without dawdling for the next 1.5 weeks, after lunch and recess, students will get an icy pole...the healthy and low in sugar icy poles of course! If the students win the challenge, hopefully lining-up on time will be positive and continued trend.

Changes To Our Student Timetable

Term 4 Plans to re-timetable student/staff lunch and recess breaks to refocus learning and support behaviour management out in the yard.

Soft start 8.50
9-11 (2hrs) Learning block
L 11.00 – 11.45 (45m) (10 min E, 35min play)
11.45 -1.45 (2hrs) Learning
R 1.45 – 2.30 (45m) (10min E, 35min play)
2.30 -3.30 (1hr) learning block

There are many projects by Ranges Tech underway. One of the projects almost completed is the Indigenous benches for our lower year's students. We have a junior gaga pit and new picnic benches underway. We are also engaging with Land Care and Treasuring our Trees to bring some wonderful student-based projects to our school.
