Principal's Update

Dear families of the Yarra Glen Primary School community,

Wow! Term 1 is complete. It has been a longer term than normal and I hope you are all looking forward to your Easter Break.

I would like to wish Christina Gill (ESS) all the best in her new role. Christina has been with us for 3 years and I would like to thank her for all her support.

I would like to welcome our new 2023 School Council members. Our 2022 Annual Report and AIP 2023 was presented to School Council. I am pleased to announce that our School Council members for 2023 are:

President – Rebecca Holland (parent of Ben in Grade 5 / Josh in Grade 3)

Vice-President/Fundraising & Events – April Shortis (parent of Elroy in Grade 5 / Otis in Grade 2)

Treasurer – Duncan Mackellar (parent of Isla in Grade 1)

Secretary – Greg Bourne (parent of Kara in Foundation)

Buildings & Grounds – Brooke Nisi (parent of Ryder in Grade 1)

Outside School Hours Care coordinator – Mel Oakley (parent of Sam in Grade 2 / Tom in Grade 1)

Community Member – Danny Millott (parent of Jack in Grade 6 / Mitch in Grade 2)

YGPS staff position – Jess Nahon and 1 to be confirmed.

Executive Officer – Jeff DeVilla

SWPBS

Well done students for reaching 10,000 Dojo Points for a combined effort. All students received an Icy Pole during House Sports Day.

Year 6 Lilydale High Sports Day and Sports Participation

It was great to hear that our Year 6's won an overall award for resilience and sportsmanship. The Year 6's also won first place in T-Ball and Dual Cricket.

- I heard several of our students will be playing in their basketball finals in the Kilsyth & Mountain District Basketball Association, well done for making the finals!
- We are awaiting a result and would like to congratulate students who played in their grandfinal over the weekend. It will be great to hear how they went.
- Jack B. and Will Q. in Grade 6 are playing in the under 12C grade. And a team of students Sammy, Tommy, Harvey, Eddie won their match in the under 8s.

House and Twilight Sports Day

Students had a wonderful day on Thursday 30th March where they did a range of activities and sporting skills. There was a great turn out of families at Twilight Sport. Well done to Leora M. and Jack B. (Year 6) for being awarded the 2023 YGPS Athletic Champions. I would like to say a big thank you to Meaghan Carter (PE/PA Teacher) for organising a well-run whole day event.

RE: Minor and Major Behaviour Response

I would also like to thank Bec Holland (S.C President) for forwarding correspondence in relation to community concerns.

Below is a shared and agreed document developed by staff which will be implemented in our current Student Wellbeing Engagement Policy. The document provides guidance and understanding for our school community of how we approach negative minor and major behaviours.

When responding to negative behaviours as a school we may need to gather further information to properly understand the situation and to ensure all students are heard. As a result, we will respond to all minor and major incidents appropriately.

In relation to communication around negative behaviours, all major behaviours are recorded via Sentral and will be communicated to families with a follow-up.

As a school we praise positive behaviours and continue to promote strategies that will help support and develop a safe and supportive learning culture.

Happenings in the Office

Penny and Sue are extremely fortunate to get visits from our students throughout the day. It is wonderful that the students feel comfortable to pop in to say hello.

Lola H helped Sue out in the office and was able to do an announcement to all classes – she did amazing and spoke so clearly to everyone.

We were lucky enough to have Harper B and Harper G decorate the window in the office for Easter. They did an amazing job and bought much colour to the foyer. Thank you girls.

Millie and Savannah have taken on the role of updating our signs around the school to ensure the community knows of particular events happening. The girls did a fantastic job this week – well done.

People in Our Community Day

REPORT FROM STUDENT REPRESENTATIVE COUNCIL

BY ALYSSA AND CHLOE

SRC

After a rocky start our rainbow day rocks have been concreted into the planter box near the chess board. They look Amazing, we also wanted to remind students that they are not allowed to pull them out. If you see someone disrespecting school property ask them to stop and let us know. We would also like to remind everyone of our school wide language in the playground, so keep reminding your friends to say the right things, or ask them to use a different word instead of swearing. It also has been brought to our attention that there is more rubbish going into our school yard. So next term we would like to re-introduce "nude food" for all our new students we will explain what nude food is and what to do.

We ask students to bring their everyday snacks in reusable lunch containers or a zip lock bag, we ask for no wrappers or plastic. Then that class S.R.C's will remind their class members and use a class list to keep track of those students who bring nude food. If students bring nude food lunches 3 times a week so 27 days for all of term 2, they will be invited to a pizza lunch. Class S.R.C's will also be talking to their class's to have recycling containers in their classrooms for paper, cardboard and hard plastics. Next term the S. RC's will be organizing a crazy hair day on May 17th to raise money with kids with cancer. Another thing is S.R.C's would like host a school talent show if you are intested in the event speak to your S.R.C reps early next term.

If you can dance, sing, act, do magic tricks, tell joke or have any other talents feel free to apply. Thankyou for listening and have a great holiday and Easter.

WHAT IS AUSLAN DAY?

Auslan Day celebrates the rich history, culture, community and language of the Australian Deaf community by honouring the date of first publication of the Auslan dictionary.

Professor Trevor Johnson (sign name: TJ) is a hearing coda (child of a deaf adult) from a large Deaf family. Through his involvement in the deaf community, he began to research the linguistics of Australian Sign Language. In 1989, he received his PhD from the University of Sydney. Auslan is a combination of the words "Australian" and "Sign Language". Trevor published the first Australian Sign Language Dictionary on the 13th of April 1989.

Why do we celebrate Auslan Day?

We celebrate Auslan Day to spread awareness of the rich history and culture of the Australian Deaf community and their beautiful language Auslan.

How was Auslan Day established?

Deaf Australia is the peak Deaf-led advocacy and information organisation in Australia. They represent all Deaf, deafblind, hard-of-hearing people and others who use Auslan as their language of preference.

They are passionate about advocating for Auslan and the Deaf community to be recognised throughout Australia. As part of this continued advocacy, they established Auslan Day to honour the date of the publication of the first Auslan dictionary.

How to celebrate?

Auslan Day is a celebration for everyone! Regardless of whether you are in the Deaf community or not, we encourage everyone to celebrate. You can celebrate in many ways such as:

- Learn some Auslan signs
- Watch Deaf people's TikTok, YouTube and Instagram videos; or follow a Deaf Twitter account
- Watch Auslan storybooks online
- Buy resources, activities and more from Auslan Shop: deafaustalia.org.au/auslan-shop
- If you are Deaf, you can be involved in Deaf Australia's Auslan Day video competition: deafaustalia.org.au/auslan-day

Planned burns in your area this Autumn 2023

ST ANDREWS

FOREST FIRE
MANAGEMENT VICTORIA

Forest Fire Management Victoria (FFMVic) will be conducting planned burning in this area this Autumn 2023 (Between March & May) when conditions are suitable.

Crews from FFMVic work alongside the Country Fire Authority (CFA) to carry out a fuel management program, in Victoria's public parks and forests and on private land, to reduce the risk of bushfire to people, property and the environment.

Fuel management is one of the most effective ways to reduce the impact of bushfire - it includes works such as planned burning, slashing and constructing fire breaks. These works help to reduce fuel (flammable vegetation) which reduces the risk of a bushfire.

If a bushfire does occur in an area where fuel management has occurred these works can help reduce the bushfire's intensity and impact.

When will these planned burns happen?

Each burn is part of the Joint Fuel Management Program outlining where FFMVic and CFA intend to carry out fuel management works ffm.vic.gov.au/jfmp

Although burns are scheduled to take place in a certain year and season, this can change depending on weather and local conditions.

FFMVic is unable to give you an exact date when this burn will go ahead - the final decision to proceed can only be made on the day of the burn, following monitoring of weather conditions and local fuel moisture levels.

Planned burns - what can you expect to see?

Before the burn takes place, crews will prepare the site. This can include trimming or removing hazardous trees and clearing control lines around the burn edge.

On the day of the planned burn you may see smoke and flames. Some roads and tracks may close or have speed restrictions. Fire fighting vehicles, aircraft and crews will be in the area.

How can I find out about a burn near me?

Stay informed about when burns may occur.

We encourage you to sign up to Planned Burns Victoria – you can set up automated SMS and email notifications about any upcoming FFMVic and CFA planned burns on public and private land. There is no charge to register or to receive messages.

For further information about planned burning, please contact the **Customer Service Centre** on **136 186** or email: planned.burns@delwp.vic.gov.au

Thank you for your patience and understanding while we do this important work to better protect communities, property and the environment from the impacts of bushfire.
